

Dickens Handchime Choir

The Dickens Handchime Choir is composed of home school students (1st – 12th grades) from the HOPE Christian Academy in Garden Grove. Dressed in early Victorian attire and presenting a variety of Christmas music with the handchimes, this group delights all those who see and hear their performances!

Last year concerts included: Sunday Morning worship service at Garden Grove Friends Church, “Chili Holiday” for the City of La Mirada, the Long Beach Christmas Pageant, Disneyland Magic Music Days and two performances for the Crystal Cathedral: a luncheon and the ‘Gift of Music’.

Please email Dellene Harned at deeharned@verizon.net to schedule a performance with your church or community group for the 2009 Christmas season. Dates are limited. (We do not charge a fee, but accept donations which are used for handchime maintenance and repairs).
